RESEARCH EXPERIENCE

JUNIOR RESEARCHER at Skolkovo, Moscow April – September 2025
Research project on the commemorative practices in educational spaces
- Analyzed institutional narratives surrounding universities' modes of communication of institutional mythology to result in a commemorative web project operated by the Skolkovo Moscow School of Management in late 2026.
- Identified recurring themes in the archival materials related to institutional history and developed theoretical and thematic frameworks for representing these materials in writing a special grant for Stipendial Programs at Potanin Foundation.

RESEARCH INTERN at V-A-C Foundation, Moscow July – August 2025
GES-2 House of Culture Mediation Department
- Prepared research reports for internal departmental seminars for two exhibition projects: on the history of Brazilian modern architecture and a group show on the ethnography and contemporary art practices of Yamal region of Russia.
- Conducted media-theoretical research on art mediation practices through the lens of translation studies presented at GES-2 second interdisciplinary forum "Radical Stability: Mediation in the Context of Contemporary Cultural Practices" in April 2026.

TEACHING EXPERIENCE

TEACHING ASSISTANT — SAS UTMN & St. Petersburg International Banking Institute Saint Petersburg, Russia
City as Text Spring term 2024
